OBJECTIVE

As a recent graduate, I am seeking a role which allows me to continue learning and perfecting my skills as I provide high-quality work, and encourages me to flourish as a network technician.

EXPERIENCE

20-08-2023 - 20-09-2023

- UI/UX Internship**  
I life  
I completed a one-month UI/UX design project at my college, where I focused on designing a basic mobile app using Figma. During this period, I worked on creating wireframes, mockups, and interactive prototypes, paying special attention to user experience and visual design elements. The project helped me develop a solid understanding of Figma's design tools and features, allowing me to experiment with different layouts and design flows.
